Greek Mythic Tarot Reading

With Richard

Your reading will be divided into five categories:

- ★ Your current situation
- ★ Your present desires
- ★ The unexpected
- ★ Probable events 1-3 months from now
- ★ Probable events 4-6 months from now

Here we see Eros, son of Aphrodite, marrying the beautiful maiden, Psyche. It is important to note that this marriage takes place at night – for it is a flawed union. Eros is behind her and she is not allowed to see him for fear that she might reject him because he is an immortal god and she is a mortal woman. The Nereids raise cups in celebration.

In a reading this card signals a marriage, the beginnings of a love affair, or some other emotional event. However, despite appearances, there is much more to be experienced and learned, for all is not as it appears and possibly the dreams of this event will not come to fruition as initially planned.

Richard D'Angelo has been an inspiring, passionate, and successful teacher of meditation for over 35 years. He is best known for his talks on your agenda vs. your mind's agenda in everyday life. His many workshops in Community Ed. help people to empower themselves and to recognize and overcome their own inner blocks in order to living a rewarding and fulfilling life. His Tarot readings are often deep and revealing, providing his clients with a new and profound understanding of what lies before them as well as how to deal with their current challenges.

He has published a book: **THE POWER OF SELF-AWARENESS AND SELF-ACCEPTANCE: A Guide For Finding Happiness Within**. It is a compilation of his teachings over the past 35+ years. It is available in paperback and as an audiobook.

He has also been a channel for spiritual beings since 1993, including his favorite, **Emmanuel**. He has studied both Transcendental and Vipassana meditation, is a certified Neuro-Linguistic Programming practitioner, a graduate of the Silva Mind Control Method, the Advanced Silva Method, Lifestream, and holds Bachelor degrees in philosophy and computer science along with a Masters degree in physiology.

Private Tarot Instruction

Tarot Lessons given in the comfort of your own home!

- **Classes are taught at your convenience**
- **You must have the Greek Mythic Deck**

The Greek Mythic Deck by Juliet Sharman-Burke is the easiest to learn. You can get a newer version of this deck online or the older version may be available via sites like ebay. The older version is preferred.

- **The Minor Arcana is taught first**

Tarot is divided into two Arcanas – Major (22 cards) and Minor (56 cards) The Minor Arcana involves four sessions plus an optional reading session. Each suit tells a story. Learn the story and know the cards. Each Royal card (Page, Knight, Queen, and King) also have their own stories.

After learning the Minor Arcana you will be able to do a reading.

- **The Major Arcana is next**

The Major Arcana represents the journey of life. The Fool explores life's rites of passage as he moves through the archetypal experiences in each card.

These cards can be taught in approximately 3 sessions plus a session for practicing readings.

We arrange a date and time for each lesson. Flexibility is very helpful.

Ask Richard:

I have had several jobs but none of them satisfy me and I lose them. I want to find the work I was put on this Earth to do but I can't seem to find it. Can you help?

I can feel your frustration in your question. Yes, you were put here to find a job that feeds your love and your soul but finding that job isn't always easy.

My first suggestion is to stop feeling frustrated with the job you currently have. Yes, it isn't what your soul wants you to do – you know that – but at the same time it is the job you should be doing at this time in your life.

It is a matter of attitude...stop looking at this job as a dead end and instead look at it as a step towards the right job for you. If you change your attitude from one of frustration to one of anticipation and appreciation, your future will change.

No one that I know (and certainly not I) started out working in their ideal job. Let me count now...one...two...three...four...five...six...seven jobs I held until I finally found my ideal work. All those jobs were stepping stones to get to where I am now.

So too with you...the jobs you have held (and are holding) are not permanent. But they are necessary to maintain a livable income until such time where you can launch your ideal career.

Now my path was a bit different than most...I was without work and was declared "Unemployable". At that point I was in a desperate situation, so naturally I turned to Spirit (more specifically my Angels) to direct me to what I needed to do.

You can do the same thing any time you want. And you are in a better position than I was, because you currently have a source of income to fall back on.

I urge you to read Chapter 17, "What To Do With Your Life" in my book, "The Power of Self-Awareness and Self-Acceptance". It will help you find the direction you need to take to discover the work your soul wants you to do. And then follow the steps outlined in that chapter. Focus on how you want to feel in your ideal work and communicate with Spirit that this is the direction you want to go in your life. They are waiting to hear from you!

I always choose Winter (love that season). The schools above allow me to run the classes in each. A full schedule will be here in the Fall.
